#66: This will be a CENTER LANE interview for 0900 hours 25 April 1984. Relax and concentrate now. Relax and focus your attention on the building in the photograph I've shown you. Focus on the areas of interest in the building and describe them to me.

#01: Ah..I ah.....ah..just a minute..... like there ah....just get nothing but bedrooms, like hotel rooms. ..Ah..some are unoccupied and others are occupied. Mixture of male, female. All occupancy is temporary, but I don't ah...I don't get any specific term of occupancy, like it varies. I keep seeing an impression as if they are all very much identical, but I keep fighting that off, but that's what keeps coming back. .... Getting a same impression as before, yesterday, ah.. that the people who stay there are not, not to be known or not to be identified or...ah connected in any way with what they're...ah....ah..it's like people who are there are like clandestinely or are under some form of cover. That's all I get.

#66: Okay. I don't have any questions. Anything else you want to add?

#01: Let me sit around here for a minute.

#66: Okay, I will wait.

#01: ..... That's all I get.. get people sitting at a small desk in each of the rooms, every now and then, writing things but that's all I get.

#66: Okay, good.
